The role of Network Governance and
circular economy hubs in the EU circular transition

The role of Network Governance and circular economy hubs in the EU circular transition

**ICESP activities in networking, knowledge and good practices
collection and dissemination to foster the Italian circular transition**

Laura Cutaia

The role of Network Governance and circular economy hubs in the EU circular transition

ICESP – Objectives and instruments

Launched in May 2018

Purposes

- ✓ Promote the **knowledge diffusion**;
- ✓ Mapping the Italian **good practices** (GP) of circular economy;
- ✓ Create a permanent operational tool that can facilitate **inter-sectorial dialogue and interactions**;
- ✓ Favor initiatives integration at the Italian level;
- ✓ Overcome the fragmentation of Italian initiatives;
- ✓ Promote Italian excellence and **“The Italian way for circular economy”**, starting from the tradition and typicality of our country and its cultural, social and business models.

Relevant themes (WGs)

- ✓ eco-innovation, research, development and technology transfer;
- ✓ regulatory, financial and market instruments;
- ✓ measurement tools and indicators;
- ✓ enterprises and supply chains organizational models;
- ✓ role of territories and cities in guiding the transition from global to local and vice-versa;
- ✓ guidance and support to businesses;
- ✓ promotion of new cultural approaches and lifestyles.

Instruments (www.icesp.it)

- A web platform with:
- ✓ Searchable database of Italian good practices (interactive section to facilitate submission, exchange, replicability of GP)
 - ✓ Working Groups information and downloadable report on specific issue
 - ✓ information, ICESP Chart, rules, joining request

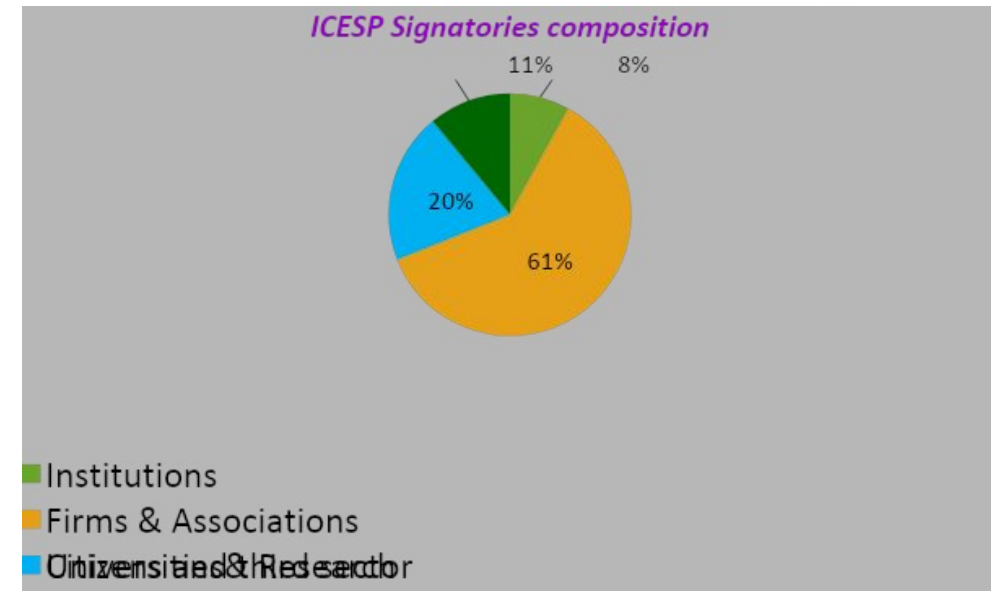

The role of Network Governance and circular economy hubs in the EU circular transition

ICESP – Organization and structure

- Coordination (ENEA)
- Committee of Working Groups co-coordinators
- Assembly of **Signatories** (142 organizations)
- Committee for Good Practices (GP) revision
 - ✓ Database ICESP: >180 GP published
 - ✓ Collaboration with ECESP Secretariat for sending ICESP BP. After selection, >50 have been published on ECESP
- Consultation with **WG Participants** (signatories + experts) (280 organizations, >800 experts)

ICESP WG and ECESP LG: connections

ECESP LG ICESP vs ECESP WGs connections

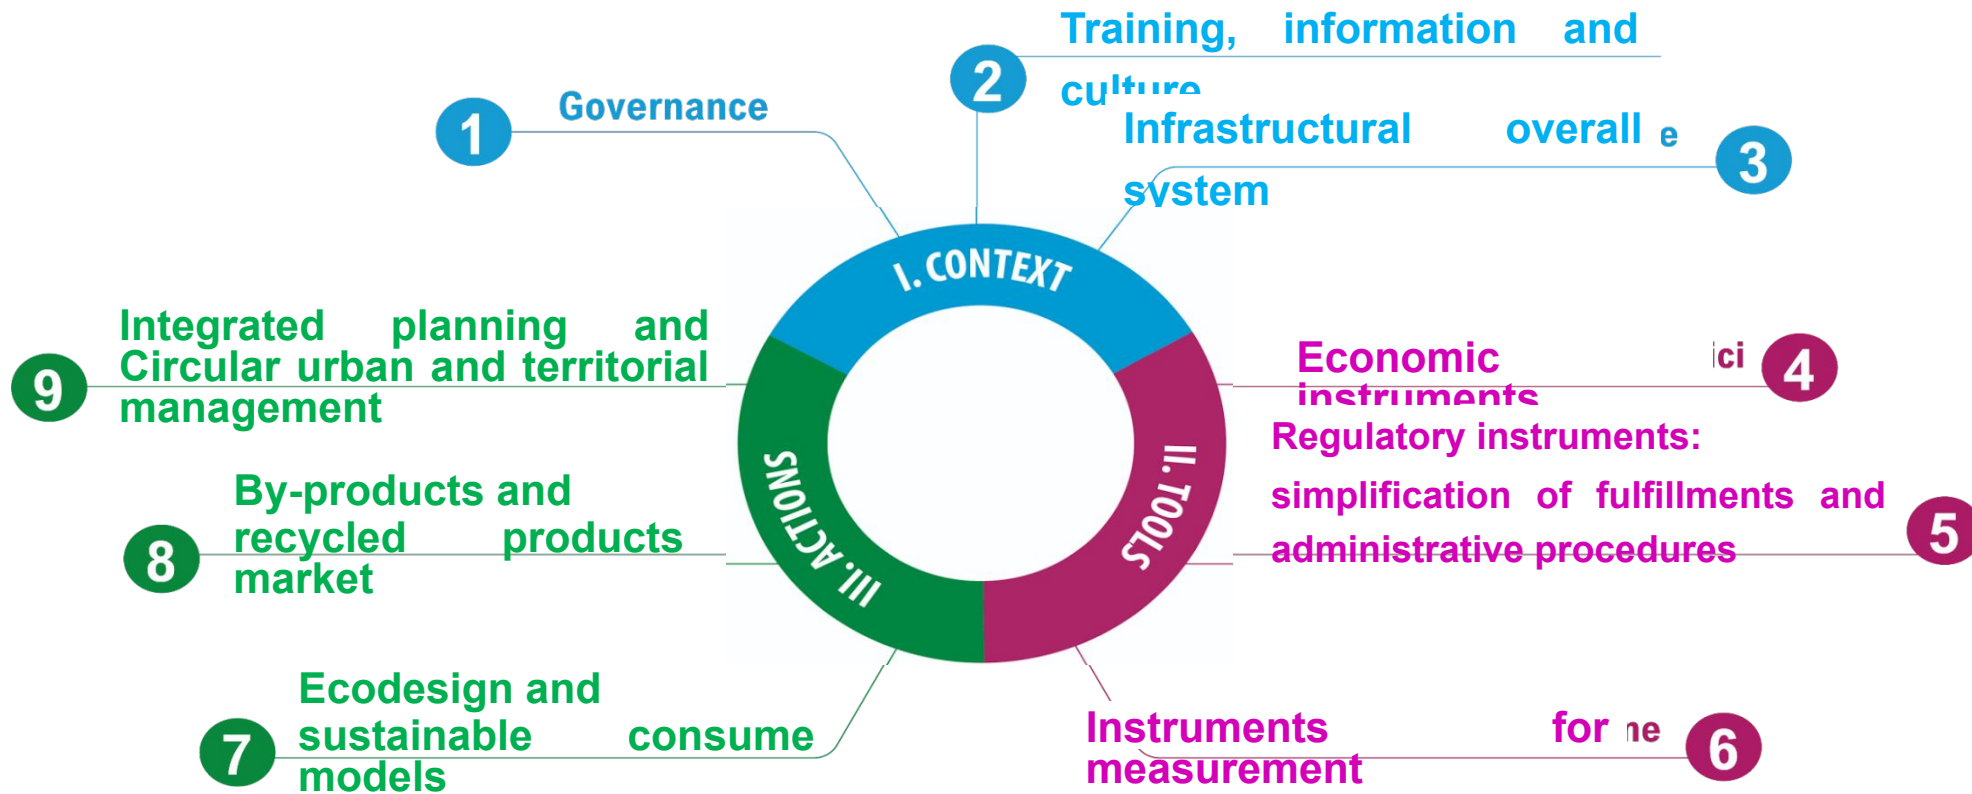

Retailers, Consumer, Skills	1, 4, 5
Cities & Regions	5
Circular Procurement	2
